

MMM EASTER COURSE ONLINE – Additional Information

Tuesday 6 – Friday 9 April 2021

Please see the Booking Form for booking and payment details

COURSE INFORMATION

Our Online Course 2021 will offer intensive classes in the MMM Colour grades Basic, Orange and Mauve. In addition, we are pleased to include an intensive course in MMM Dance Technique Grade 1.

The courses are suitable for anyone who wishes to learn, practise or revise the exercises of the individual Colour and Dance Technique grades, so we welcome students and teachers alike. Each day a class of 75 minutes will give participants the chance to immerse themselves in the colour/grade they have chosen, guided by one of our MMM staff teachers. The courses will build up from day to day, so are intended to be taken as a whole, which is why individual days or sessions cannot be booked.

Classes will be held via Zoom, as for our online classes during the past months. In smaller groups it will be possible for the course teacher to watch and correct individual participants, thus delivering a more intensive approach with the opportunity for detailed learning.

For qualified MMM teachers, our Easter Online courses will be regarded as Continued Professional Learning (CPL) and participants will receive a CPL certificate of attendance.
