

SPIRIT OF DANCE

MMM TODAY & THE JOURNEY HERE

An evening of discovery – *how did it happen* that we are all here – online today – in many countries spread all over four continents – and all dancing the same technique, with the joint history and tradition of our Movement behind us, and yet all with our own individual inspiration and creativity?

Find out some of the answers to that and other questions as we explore networks and connections in an overview of MMM TODAY with contributions from all over the MMM world.
